Thank you Blair! Dorcas and I actually just corresponded yesterday and are planning to connect the week of August 6th - I'll include you on the invitation when we confirm a time in case you'd like to join.

Dorcas and Rachel – Per my conversations with both of you about the transition of WIN's move to County Mayor oversight and implications for the offender re-entry / rate card project, I'm connecting the two of you by email and suggest that Rachel bring Dorcas up to speed on project status, next steps and timeline. I'm happy to jump on the call with you guys if needed but I encourage you to connect without me and then the three of us and perhaps others can huddle later in August after the Mayoral election! Bill Gibbons is copied here so he's in the loop since Crime Commission and Public Safety Institute are key partners in the project.

Dorcas, also check out [this blog post](#) which Rachel authored and was published by Social Finance last week, highlighting their work with WIN. Feel free to share it with the WIN team as you deem appropriate.
